

Maintenance Technician

Donsuemor is a privately held commercial bakery in the San Francisco Bay Area. For over 30-years, we have been developing and baking distinctive bakery products so that people can discover the satisfying experience of eating a more delicious product. Today, Donsuemor supplies to the largest blue chip coffee chains and specialty grocery retailers in the United States and in Canada.

Our team is passionate about our products and approaches all aspects of our business with pride and care. Our state-of-the-art bakery integrates our artisan principles with customized automation to maintain consistency and quality. We are Cook and Thurber certified.

Can you look, listen and troubleshoot equipment? Are you comfortable working on engines, motors, pneumatic tools, conveyor systems and other production equipment? In addition, you will also be doing janitorial maintenance, cleaning, minor building repairs, and preventative maintenance. Experience in the food industry and working on flow-wrappers is a plus. You work closely with bakery staff and report to the Facilities and Maintenance Engineer.

This opening is on our swing shift, hours are from 2:30PM to 11:00PM.
